The Zionsville Cultural District (not affiliated with the SullivanMunce Cultural Center) is asking for a wavier from paying the \$100.00 Special Event Fee.

Free concerts to the Zionsville community have been in existence since May 1994 when the Greater Zionsville Chamber of Commerce and the Kiwanis organization were the program sponsors of Thursday night concerts from May until August in Lincoln Park.

The Zionsville Cultural District, ZCD, picked up the series in 2013 to keep the tradition continuing. Due to the growth of the Summer Concert Series, the ZCD began offering two concert venues. In 2021, Wednesday evening concerts during June and July are held in Lions Park to accommodate families with children and the amenities Lions Park has to offer. Concerts in August are offered in Lincoln Park.

The ZCD raises \$15,000.00 to \$17,000.00 to provide summer concerts free of charge to the Town residents.

2021 was the first time the ZCD encountered a Special Event fee of \$100.00. The ZCD is a Not for Profit 501(c)3. The ZCD does not make any profit off of these concerts, or any program/events that we do. All money received from sponsorships goes into the programs we promote.

Your consideration in this wavier is greatly appreciated.

Sincerely,

*Candace*
